Key Objectives

At Repaso HealthCare we believe that care compassion should be at the centre of service we provide. This is why we endeavour to provide staff who are dedicated to their profession, whose first and foremost concern is patient/client wellbeing.

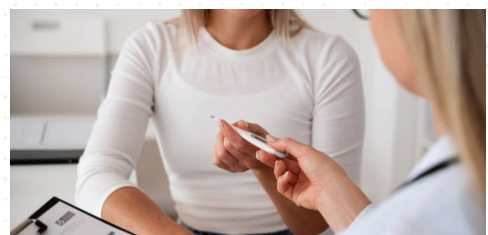

In order to achieve this, our clients can expect staff who are:

- * Highly experienced and thoroughly vetted to avoid compromise in service
- * Trained and helped with their continuous development programmes
- * Professional, dedicated and reliable
- * Compliant with the National Minimum Standards set by the regulatory bodies
- * Able to go for assignments at short notice
- * Easy going members of staff whom are team players
- * Dedicated and reliable
- * Punctual

Our Candidates

At Repaso HealthCare we have a huge range of skilled candidates; these range from

- Accident and Emergency (A&E)
- Intensive Care Units (ITU)
- Senior Nurses (e.g. Duty Nurses/Night Coordinators)
- Physiotherapists
- Psychiatric and Learning Disability Nurses
- Mid-Wives
- Ward Managers
- General Nurses
- Health Care Assistants
- Support Workers
- Hospital Site Bleep Holders

Cessation of Healthcare Staffing Services

In an event where

- The staff report abuse, victimisation or harassment
- There are failures to observe the legislation of equal opportunities, discrimination, diversity, etc
- Malpractice which is unsafe for both our staff and service users
- There are failings to uphold health and safety regulations
